

### **1.9.10 Housing**

Positive Action in Housing is a Scottish charity that works with communities, housing providers, voluntary organisations and faith groups to enable everyone to have an equal chance to live in good quality, affordable homes, free from racial harassment. We offer advice and support to people from new migrant, refugee and minority ethnic communities. We run a free and impartial casework service for those facing poverty, homelessness, racism or poor housing. We run a Hardship Fund for destitute asylum seekers and their families.
